Faculty of Science

ANNOUNCEMENT REGARDING ACADEMIC LEAVE

-ACADEMIC YEAR 2026–2027-

The Administration of the Faculty of Sciences informs all students concerned with the suspension of their academic year (academic leave) that the application period for academic leave for the 2026–2027 academic year is scheduled **from 17 November 2026 to 10 December 2026** Applications must be submitted exclusively through the **Student Portal (Espace Étudiant)**.

In accordance with Articles 20, 21, 22 and 23 of Executive Decree No. 1165 dated 4 October 2025, establishing the conditions for admission and re-enrolment in Bachelor's and Master's degree programmes, as well as the conditions governing academic organization, assessment and progression, the following provisions apply:

1. Eligibility for Academic Leave

Students may be granted academic leave for exceptional circumstances, including:

- A disabling chronic illness;
- Maternity leave;
- National military service;
- Cases of force majeure.

2. Duration of Academic Leave

Academic leave is granted for one academic year only during the student's course of study.

The maximum duration of academic leave is one academic year, renewable once during the student's academic career, except in cases of force majeure, which shall be assessed by the competent academic authorities.
